NGRRC Garage Allocation/Booking Guidelines

Booking

We will be operating an email only booking system. For the 2021 season this will apply to events at Brands Hatch, Donington Park and Oulton Park.

You will be informed exactly when garage requests can be made. Garages can only be reserved using the dedicated email address Garages@NGRoadRacing.Club. A 24 hour 'booking window' will be opened via this email address prior to each event. Any garage request emails received before or after this 'booking window' will not be read.

Garages will be allocated on a first come first served basis i.e. the first emails received during the 'booking window' until all garages are allocated.

Garages will not be allocated to competitors who have not yet entered the event.

Preference will be given to riders booked on test days to avoid working vehicle movements during the event.

Brands Hatch – 16th, 17th, 18th April 2021

For Brands Hatch, parking in the centre GP paddock is only available to competitors listed on the garage plan who have confirmed garage allocation.

If you are **not** listed on the garage plan, you must not attempt to gain access to, or park immediately to the rear of garages.

Your email should include your name, racing number and your primary class.

The cost is £30.00 per competitor for the duration of the event. The money will be collected during the event.

Garages must be left in a clean and tidy condition. Any costs associated with clearing any controlled waste such as used tyres and general rubbish will be passed onto the occupants.

Competitors who are allocated garages, may be sharing with other competitors. It is essential Covid 19 rules and protocols are adhered to at all times. Garages doors must remain fully open at all times to the front and rear during the day. Keys will be issued on arrival by Brands Hatch security at the main gate.

The fire/access lane to the rear of the garages must be kept free at all times without exception.

Access to the circuit is strictly via the assembly area. This means leaving your garage to the rear to access the assembly area and not via the front door into pit lane.

As space can be restricted to the rear, Sidecar teams are not permitted to book garages.

The email address Garages@NGRoadRacing.Club will be open for 24 hours only from 6pm on the evening of Tuesday April 6th until 6pm on the evening of Wednesday 7th April.
