FROM 450 single motocrosser

GP45 is the exciting next generation of pure race-bred motorcycles. With their light weight, manageable power delivery and precise handling 450 Super Singles bridge the gap between 125cc and 600cc classes perfectly.

The **GP45** kit has been developed in Spain to transform 450 four-stroke motocross machines available from Honda, Kawasaki, KTM, Suzuki and Yamaha. Several championships are already established throughout Spain, Italy and USA. We now have the opportunity to race these machines here in the UK courtesy of NG Road Racing.

A win/win package

Your **GP45** can easily be returned to its motocross form within a matter of hours and is available in three flexible options.

Build: Source your own machine, purchase the **GP45** kit at £4,773 then create the racer yourself.

Part-build: Source your own machine then allow us to build the racer for you. From £5,425.

Bespoke: Purchase the completed machine, ready to race with all the motocross parts packaged up for you to keep. Prices start at £8,500.

Where can I race my **GP45**?

With nationwide membership and 40 year history in racing, NG Road Racing (NGRRC) is one of the largest and most established clubs in the UK.

GP45 riders will enter the 400cc classes enjoying generous track time, competitive entry fees and the best circuits throughout the UK. For novice riders the club has a dedicated Newcomers championship.

- 20–21 March, Brands Hatch Indy, Kent
- 24–25 April, Cadwell Park full circuit, Lincolnshire
- 29–31 May, Pembrey, South Wales
- 12–13 June, Snetterton, Norfolk
- 10–11 July, Pembrey, South Wales
- 13–15 August, Anglesey coastal circuit, North Wales
- 18 September, Oulton Park full circuit, Cheshire
- 2 October, Thruxton, Hampshire
- 23 October, Silverstone national circuit, Northamptonshire.

Your GP45 machine will *not* be constrained by restrictions on tuning, livery, supplier of parts or control tyres and is accessible to riders as young as 15 years.

Visit www.ngroadracing.org for membership details.
